General information about “Unë, Gruaja”

“Unë, Gruaja” is a non-profit organization, registered in 2003 by Tirana Instant Court. The mission of the organization is to empower women and youth in the Pogradec - Korça area through provision of services and coordinated psychological and legal support, advocacy, public awareness, citizen engagement, and environmental protection.

The association is recognized as a leader in the region regarding women’s issues and gender equality and has several years of experience in the implementation of various actions on good governance and civic participation, leadership, environment protection and gender equality, participation in local decision-making; monitoring of local government’s policies and decision making from gender perspective; advocacy and lobbying at local level; public hearings; environmental campaigns, etc.

1. Purpose of the Service

The Association "Unë, Gruaja" Pogradec (UG) has started the implementation of the project “Local & cross-border actors work together in the environmental protection of the Prespa -Ohrid region" which has the main purpose to strengthen the conservation capacities of the regional community through the sharing of best practices, knowledge, and joint actions among actors across the Lake Ohrid Region (LOR).

During the implementation of the project, UG will support small initiatives from local actors (active groups and/or NGOs operating in LOR, like public hearings, debates, protests, marches, green caravans, petitions, in order to increase community awareness, influencing local government and institutions, for the most effective management of the Ohrid - Prespa cross-border region focus on conservation of the biodiversity of the area.

Every year, at least 3 joint advocacy activities will be organized in the cross-border areas of the PA during International/European/National/Local Ecodays such as Earth Day (April 22) Biodiversity Day (May 22); World Environment Day (June 5) Lake Ohrid Day (June 21);

The activities will take place during the period March-August 2023.

The applicant will carry out the activities according to the proposed calendar.
